MISSIONARIES TO COLOMBIA, SOUTH AMERICA

Dear Friends and Family,

October, 2011

Deputation & Family Update

We've been on deputation for 6 months now with quite a full schedule, traveling over 23,000 miles, preaching and presenting our burden and plan for Colombia in many churches. Pray that we can raise our needed support quickly so we can get to the field. Each day has been a step of faith, and God has proven himself more than faithful in providing for our needs. Many times we don't know how we are going to pay for certain bills and expenses, but the Lord provides just the needed amount right on time! He's a good God!

There are two events I want you to know about: Hell's Gates, a reality outdoor drama depicting the end times, taking place every weekend in October (hellsgates.com). This is hosted by our home church. The other event is the Our Generation Summit in Pigeon Forge, TN during December 29-31 (bcwe.org). Plan to come and bring your church group!

We are also pleased to announce... our Vance trio is about to become a quartet! We're excited to be expecting our second child, sometime around the end of May. Pray especially for my wife. Those of you that have ever had children know that the first trimester can get a little queasy, and we've got a lot of traveling planned over the next few months.

There is so much more I want to tell you about. If you get a chance, head over to our blog (bemagnified.org) to read more about what's going on in our lives, and to see our new ministry video. I think you'll enjoy it!

Out Of The Mouth Of Babies

Speaking of our next child, last week, we asked Amira where the new baby is, and she pointed to Aubrie's tummy and said "Baby!!" She's so smart! Well, then she pointed at my tummy and said the same. (I wonder what she means by that?) ☺

Colombian Culture Corner

I want you to be praying about two things specifically for Colombia. First, local elections are now taking place. Many candidates have been assassinated in regions where there is conflict with the rebel groups. Also, last month the rainy season started. They are expecting it to be worse than last year (2.2 million were left homeless and 301 people died last year because of the rains). Most of these people have never heard the Gospel.

Prayer Requests

1. For Aubrie's pregnancy that things go well without complications
2. For our travels as we present our ministry in many churches
3. For our financial support to continue to increase (now at 14%)
4. For more laborers to take the Gospel to Colombia

For Christ and His Glory,

Aaron, Aubrie, Amira (& Baby) Vance
