

Dear Pastors and Prayer Partners,

July / August 2013

Deputation Update

The countdown has begun! As I sit here to write this letter, it is almost surreal to know that in just over 2 months we will land in Bucaramanga, Colombia to begin our ministry of church-planting. For the past 2 years on deputation, we have been so blessed and humbled by the many churches and individuals that have helped us along our way. Thank you all for holding the ropes for us. The work is just beginning.

Many have helped with our setup fund needs, and we are most grateful! If you'd still like to have a part, we'd encourage you to check out our website (BeMagnified.org) to see an updated list of our needs. Gifts can be given online through PayPal or by sending a check to our Mission Board and marking it "Aaron Vance" or "322." Pastors, would you consider taking up a special offering for this?

Family Update

My wife and our little girls are excited about moving to South America. It seems every time we get in the car, Amira asks if it's time to move to Colombia yet. To say there is much work to do is quite an understatement. Please pray everything goes smoothly in these last days.

Aubrie is recovering well from her surgery. Thank you all for your prayers in that matter. Our God is always faithful and good, and we pray that even in most difficult moments He would receive great glory.

Anabel & Amira always enjoy playing the guitar with their dad!

I enjoyed preaching to some teens at a one-day camp in North Georgia.

Colombian Culture Corner

According to CIA.gov, 75% of Colombians live in cities. This rate is going up rapidly as every year more families and students are looking for a better life and future. Looking at the New Testament model of church planting in Acts, there is a strong focus on reaching cities, whereby the Gospel could easily spread into smaller towns and villages. We need more laborers for the thousands of cities around the world that lack a strong Gospel witness. There are still about 200 of these cities in Colombia. Would you be willing to give your life to reach a city?

Prayer Requests

- Pray that the remaining 10% of our monthly support would be raised before we leave
- Pray for several setup fund needs to be met (see website for details)
- Pray for travels to our remaining 2 dozen meetings with churches around the Eastern US
- Pray that God would prepare hearts of Colombians to receive the Gospel before we arrive
- Pray for more laborers. How about you?

It excites me to know that soon, many Colombians will hear the true Gospel message for the first time. You have had a part in this through your prayers and financial support. Thank you. Please let us know how we can pray for you.

All for Jesus,

Aaron Vance & Family
