

Dear Praying Friends,

January 2, 2015

We trust that you all have had a wonderful Christmas and New Year! Life is more busy & blessed than ever here in Colombia. Up front, thanks to all who have supported us this year through your prayers and giving. We couldn't do what we do without you allowing God to use you in this way!

Growing Church, Growing People!

In July we started our first church here, and in 6 months, God done things far beyond what we expected! New people visit nearly every week, many accepting Christ and getting into discipleship. There are also now 4 men who have expressed desire for ministry and are taking steps toward that end. Pray for Óscar, Eduardo, Sergio and Jhon and for me as I work in training them and others to do the work of the ministry. This is why we're here!

Leadership training time with people who are stepping up in our church.

Merry Christmas for Many Children!

In September we began an outreach ministry for children and adults in a poor neighborhood on the outskirts of our city. The response has been phenomenal! We are averaging around 150 each week, with over 250 attending our end of the year Christmas program. Gifts were given, as was the Gospel, and several accepted Christ as their Savior! Thank you to those who donated toward this need. If you'd like to give toward future projects, you can give online (www.bemagnified.org), or by sending a check to our mission board marked "A. Vance - Special Project." Our plans are to start another church here within a year.

Big God, Big Plans!

We are looking forward to seeing God work in 2015. We have big plans and ask that you pray specifically for these things. Be praying for free English classes we will be starting Monday January 5th. Pray for a youth camp that I will be preaching this month with churches from around the country. Pray for our leaders, and me as I train them. Pray for open doors to start more churches here. Pray for more laborers for our city of Bucaramanga, and the dozens of others that are full of unreached people. Pray for a missions trip we have planned for U.S. students and singles June 15-25 (There's still time to sign up -- info at www.bemagnified.org).

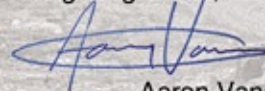

The need is great! The Harvest is ripe! Jesus is coming! Pray for laborers!

Home Happenings

By our next prayer letter we'll be able to introduce you to our new little baby girl, due February 23. Aubrie is doing well with the pregnancy, and our girls are thrilled about being big sisters. We're required to leave the home we've been renting, so please pray as we find another house. It's been over a 2 month process of complicated ups and downs, but we hope to finalize something this week. Contact us for our new mailing address. Also pray for a vehicle for our family and ministry. We have not have the funds for this, but we know that God can provide in his timing. If you'd like to give toward this need, you can give online or by sending a check to Macedonia (address below) and mark it "A. Vance -- Vehicle."

Once again, thank you! Thank you for holding the ropes for us! God is good. He is worthy. He is working. Are we willing to take steps forward this year for his glory?

Serving King Jesus,

Aaron Vance & Family
