Dear Praying Friends & Family,

We are in the full swing of our furlough and God has proven himself more than faithful. Thank you for keeping up with us and the ministry in Colombia.

ON THE ROAD AGAIN

So far, we have updated several of our supporting churches, and shared the work in new churches in Florida, Georgia, Kansas, Kentucky, Ohio, Virginia, and West Virginia. We've already seen five new monthly supporters join our team, and a few more that will be voting on us soon. Praise the Lord! We are still praying for 10-15 more partners to reach our needed support. If you'd like to schedule us to come to your church, or if you know of a church that may be looking to take on new missionaries, please get in touch by email: aaronlvance@gmail.com or phone: 678-696-0082. We have a few openings left for the remainder of the year.

MEANWHILE IN COLOMBIA

Our leaders back in Colombia are doing a phenomenal job with all the preaching, teaching, event planning, and ministering in both of our churches. I continue to receive wonderful reports of the growing ministry, new families, as well as how edifying all of the sermons have been. We praise God for his faithfulness in this area as well. God allowed me to travel back to Colombia for a quick trip over Easter week. What a blessing it was to meet some of the new converts, minister to both of the churches, as well as meet with and encourage the leaders!

FAMILY FUNNIES

We take for granted how many things in the USA are foreign to our children. Our two oldest children were 3 and 1 when we moved to Colombia, and the youngest two were born there, so it's been fun to expose them to the following "new" things: Taco Bell, vacuum cleaners, Walmart, baseball, bagels, white eggs sold in the refrigerated section, root beer, free refills, all-you-can-eat buffets, snow, booster seats, and the abundance of other kids that look just like them.

THE TIME IN BETWEEN

As a family, we are enjoying furlough. Sure, we miss some of the stability and sense of purpose of being in Colombia, however, being here is more needful for now. Each side presents its own unique challenges and blessings. Here, we are learning how to juggle the girls' education, the countless hours on the road, the changing environment, etc., but we're also learning how to make it all very positive and beneficial. We are grateful for opportunities to share the Gospel around the country, realizing that people need Christ everywhere. We are reminded about the need to lean on God and not our own understanding. It has been a rewarding time to meet new friends, grow personally, rest a little as a family, plan for the future, and consider how we can improve each area of life and ministry.

Thank you all for your prayers and faithful support! Thanks as well to those who have given special offerings. God has used you to not only encourage us, but to reach many people in Colombia and beyond. Please let us know how we can pray for you.

May Christ Be Magnified,

It was great to be reunited with fantastic friends and their families, missionaries Will Hill (Japan), & David Gates (Egypt).

We thank God for the opportunity we have had to preach and share about the work in Colombia. Christ be praised!

We trust you all had a wonderful Easter celebrating the resurrected Christ!
