THE LOST LOCAL CHURCHES LEADERS

Dear Praying Friends & Family,

Sometimes, life gets so busy that certain things are left undone. It has been a few months since some of you have heard from us, so we are sending out this letter along with the last one which was never sent. Please accept our apologies!

WITH IMPACT OTHERS IN MEXICO

I was invited to join a group from Impact Others / Christian Media International in Guadalajara for a few days in December. We visited missionary Sam Robles, assisting in accommodating a new place for them to house orphans. I also learned from their experience in order to launch similar outreaches in the next stage of our ministry here in Colombia. There are exciting days ahead!

NONPROFIT LAUNCH!

As we have mentioned in the past, one of our churches serves a very needy community, in which many of the children are left to raise themselves. Many go hungry every day. Many struggle with school. Many end up in gangs or start using drugs from an early age. We've decided to do something about all of this!

With the help of a large donation from Impact Others, we are constituting a nonprofit feeding and outreach center based out of our church in Café Madrid. In addition to holding regular services, we will provide daily meals, assistance with homework, discipleship, and other resources to help between 40 and 50 needy children every day. We are currently remodeling the facilities of the church building to better serve these dear kids and their families in a very tangible way. This nonprofit will be led by Nicanor Uribe and his wife, Lyda, who have been training for ministry with us during the past few years. Lord willing, we will launch mid-February. As you can imagine, there will be many ongoing costs with this project. We are stepping out in faith and trusting the Lord to provide.

MASS MEDIA OUTREACH

Our television recording studio is in full use, and we are putting out content every day in which tens of thousands of people are hearing the Gospel. If you speak Spanish and would like to check out some of the devotional and preaching videos, along with interviews and question & answer sessions, check out our new YouTube channel (along with other social media platforms): @verdadenamorbga.

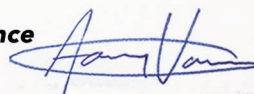

FAMILY UPDATE

Aubrie had a long-awaited extraction of her four wisdom teeth in January. She did great, through recovery has been quite a process! Pray for her.

We thank the Lord for your faithful prayers and support, which enable us to minister in Colombia and beyond. Thank you also for the special Christmas gifts many of you sent to our family. These special offerings met very specific needs!
